Malayalam

About Me

I am a full-stack Node.js web developer, self-taught and experienced in building and maintaining web applications, implementing and optimising database systems, and integrating front-end and back-end systems. Passionate about coding and eager to learn new technologies, I am constantly seeking new job opportunities to challenge myself and grow as a developer.

Education

2019-2021

Heigher Secondary
GHSS CHALISSERY

2021-2023

Diploma In Computer Engineering
Govt Polytechnic College, kunnamkulam
